TESLA STEM ONLINE COURSE APPROVAL FORM

Submit: | **WITH** the LWSD Appendix C form | **TO** your Counselor | **BEFORE** registering for outside credit

1. I, [_____] [20____] am requesting approval to take the following:
Student Name Grad Year

Course Provider: [_____]
(e.g. APEX, BYU, etc.)

Course Code and Title of Course: [_____]
(e.g. MATH048/Honors Algebra 2)

2. I am taking this course in order to meet a *pre-requisite* for a future class:

3. (If applicable) I am requesting approval to replace* a lower grade in: [_____]
*ONLY EQUIVALENT COURSES ARE ELIGIBLE (e.g. a *regular* Alg. 2 course CANNOT replace an *Honors* Alg. 2 course)
**District Replacement Credit Policy states that *both attempted credits/grades will appear on a student's transcript*; however, the lower grade will no longer be calculated in a student's GPA.

4. I am requesting to add this course to my official transcript and GPA:

Please read and *initial* the following indicating that you understand and agree:

_____ I understand that if I am taking a summer course to fulfill a pre-requisite for the next school year, I **must finish the course and am responsible for ordering and mailing the OFFICIAL FINAL transcript to my high school no later than August 20th**. I understand that completion of a prerequisite does NOT guarantee that there will be space in subsequent courses at my high school.

_____ For online summer math courses, I understand that Tesla STEM has an **ADDITIONAL REQUIRED MATH PLACEMENT TEST** that must be taken before approval may be granted to advance in math. The test will occur the last week of August. Details about the official date/time/classroom will be posted on the school's website in mid-August. Any math schedule changes will not be approved until the student has both completed the pre-requisite requirement AND the Math Placement Test.

_____ I understand that all grades will be posted to my transcript **using the grading scale of the outside provider**. (e.g. if you receive an A- in an outside course it will transcribe as an A- /3.7 on your high school transcript)

_____ I understand that if I am taking this course to fulfill a graduation requirement all course components (assignments, tests, etc.) must be completed **no later than May 15 of my senior year** for graduation purposes.

_____ I understand that I **am responsible for monitoring my own progress** in the course and I **am responsible for mailing the final transcript to my high school**. I understand that I may not receive reminders/check ins/follow ups on my progress from my high school counselor.

_____ I understand it is **my responsibility to use the NCAA Eligibility Center** to determine if an out of district course is an **NCAA-approved** core course (if applicable).

Lake Washington School District: Procedure High School Graduation Requirements - File 2410P

Appendix C
Request for Acceptance of Out of District Credit

Requests for acceptance of outside credit toward high school graduation may be submitted from a non-district public high school, an accredited private school, a post-secondary institution providing non college credit. Acceptance of such credits is limited to a total of 3 credits for courses offered by district high schools. In addition, classes may also be accepted if the student is not able to take the class in his/her high school because of scheduling conflicts, or because the class is not available in his/her high school.

This form must be submitted and approved prior to the planned learning experience.

Student Name (please print) _____ **Date:** _____

Student's Graduation Year _____ **School:** _____

1. I am requesting approval for (please circle) .5 or 1.0 credit of _____

2. Name of credit provider: _____

3. Reason the course cannot be taken at a district high school:

4. Please attach a syllabus or other information for the course that includes the following:

- Objectives of the course (skills or concepts to be learned).
- Length of time spent in course and/or how credits are determined.
- Description of how student performance shall be assessed.
- Content outline of the course, major learning activities, and instructional materials used.
